

continued to serve his town through numerous committees for the Vernon Fire Department and happily watched his grandson, Adam, become a fifth-generation Bowman firefighter.

Madam Speaker, it is an honor to have the opportunity to represent constituents as devoted and caring toward their community as Richard Bowman. I have had the honor to represent the Town of Vernon for many years in Congress, and have seen firsthand Dick Bowman's diligent work. I also live in the town, and am grateful for his efforts to keep the town, my neighborhood, and my family safe. Dick leaves behind his wife, Carol, alongside two sons, his grandchildren, and his nieces and nephews. He loved attending his grandchildren's school and athletic events and will be remembered by his family as a loving husband, uncle, father, and grandfather. His memory will live on through them and reverberate throughout the community he proudly served. To that end, I ask that my colleagues and this Chamber join me in setting Richard's legacy further into stone, and expressing our deepest respect for Richard's work and life.

RECOGNIZING THE COUNTY OF ORLEANS SHERIFF'S WEEK

HON. CHRIS JACOBS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, September 24, 2021

Mr. JACOBS of New York. Madam Speaker, I rise today to recognize the County of Orleans Sheriff's Week designated this year between September 19th through September 25th.

The Orleans County Sheriff's Department, led by Sheriff Christopher Bourke, has an extensive history of honorably serving the people of Orleans County. The Department conducts itself with the utmost professionalism and demonstrates integrity, honor, and courage daily.

Just in the past year, we have seen countless examples of heroism. Last November Sheriff's investigator Kevin Colonna went above and beyond the call of duty and used an Automated External Defibrillator (AED) to revive an elderly man who had become non-responsive.

Similarly, Undersheriff Mike Mele took incredible action last December when a driver lost control of their vehicle on slick roads and crossed into his lane. Undersheriff Mele quickly turned to avoid the car and careened off the road seriously injuring himself in the process. His selfless actions undoubtedly saved the life of the other driver.

These are just two of the countless examples where members of the Orleans County Sheriff's Department have gone above and beyond the call of duty and acted selflessly to protect the people of Orleans County. They patrol the streets, operate a safe and secure jail, patrol the waterways, and provide resources to local schools—among many other duties.

Madam Speaker, I am honored to represent such a distinguished department and the fine men and women who oversee its operations. Our Orleans County Sheriff's Department and all our brave law enforcement officers deserve our utmost respect and gratitude for their service.

HONORING THE LEADERSHIP AND LEGACY OF GILBERT CAMPBELL

HON. LORI TRAHAN

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Friday, September 24, 2021

Mrs. TRAHAN. Madam Speaker, I rise today to honor the tremendous contributions and legacy of Gilbert Campbell, a successful businessman and community leader who dedicated his life to the prosperity of the Greater Lowell community. He passed away peacefully on September 16, 2021.

Gilbert was born in the Centralville neighborhood in the City of Lowell in 1930. After graduating from Lowell High School in 1948, Gilbert would embark on a seven decade-long professional career, first as a distinguished home builder, real estate developer, and entrepreneur; and later as a hotelier, restaurateur, professional sports owner who was renowned for his passion for thoroughbred horses.

Over the span of his home building career, Gilbert built 1,500 houses, 3,000 apartments, and many commercial buildings. He was extremely involved in the home building community, so much so that he was a founding member and one-time president of the Lowell Home Builders Association, a past President of Massachusetts Home Builder Association, and a previous Vice President and Lifetime Director of the National Home Builders Association.

In addition to his impressive professional career, Gilbert never forgot where he came from. He worked tirelessly to make his hometown of Lowell a better place. His expertise and vision for the future of the City made him a trusted confidant to many business and political leaders over the years, myself included. He was a founding member of the Lowell Plan, the former St. John's Hospital/Saints Medical Center, the past President of Vesper Country Club, a previous Chairman of the Northern Middlesex Chamber of Commerce, and a co-owner of Lowell's first professional sports team, The Lowell Lock Monsters. Gilbert's contributions to the economic development of Lowell has had a lasting impact on the city and will continue to be felt when walking the streets downtown for generations to come.

Throughout his life, Gilbert was the recipient of numerous recognitions from distinguished organizations for his work in our community. He was selected in the 1960s as the New England Builder of the Year and in 2016 as the Florida Breeder of the Year Award, alongside his beloved wife, Marilyn. He was also inducted into the Lowell High School Distinguished Alumni Hall of Fame, the Northeast Builders Hall of Fame, and the New England Turf Writers Hall of Fame. In the face of so many well-deserved accolades, Gilbert remained humble, accessible and down to earth. Through his years of leadership, Gilbert has made the City of Lowell a better place to call home.

Gilbert will be remembered for his love for his family and friends, his kindness to those around him, his distinguished professional career, and his immense pride in the City of Lowell. My heart goes out to Marilyn, his children Susan and Gary, and the entire Campbell family during this difficult time. Gilbert's legacy will live on through his loving family

and all of us who had the honor of knowing him.

RECOGNIZING THE 150TH ANNIVERSARY OF THE GREAT PESHTIGO FIRE

HON. MIKE GALLAGHER

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Friday, September 24, 2021

Mr. GALLAGHER. Madam Speaker, today I rise to recognize the 150th anniversary of the Great Peshtigo Fire. The deadliest fire in U.S. history, the Great Peshtigo Fire claimed nearly 2,000 lives and millions of acres of land across Northeast Wisconsin and the Upper Peninsula. Today, we not only remember the lives lost in this blaze, but celebrate the resilience Wisconsinites showed in rebuilding their communities.

The city of Peshtigo was founded in 1838. Adjacent to the western shore of Green Bay, surrounded by dense Wisconsin forest, and bisected by the Peshtigo River, Peshtigo became an immediate economic hub for logging and shipping. By 1871 it sustained the livelihood of thousands of families in Wisconsin and was the tenth most populous city in the state.

October 8, 1871 may be often overlooked in American history, but to the citizens of
